

Curriculum Vitae:**Elisabetta Dejana****Education:**

Doctor in Biological Sciences, summa cum laude, University of Bologna, Italy

Research Activity:

1979-83 Researcher at Cardiovascular Pharmacology Lab, Mario Negri Institute, Milan, Italy
 1983-88 Chief of Vascular Physiopathology Unit, Mario Negri Institute, Milan, Italy
 1988 Visiting Scientist at Department of Pathology, Harvard Medical School, Boston, MA
 1989 Visiting Scientist, at Hadassah Medical School, Jerusalem, Israel
 1992-95 Chief of INSERM Unit 217 and CEA Lab Hematologie, CENG, Grenoble, France
 1988-03 Chief of Vascular Biology Lab, Mario Negri Institute, Milan Italy
 Since 2000 Chief of Angiogenesis Program, FIRC Institute of Molecular Oncology, Milan, Italy
 Since 2015 Professor of General Pathology, Department of Immunology, Genetics and Pathology, Uppsala University, Sweden.

Academic and Teaching Appointments:

1990-91 Contract Professor on Vascular Biology, at University of Turin, School of Medicine, Italy
 1993-96 Professor, Diplome d'Etude Approfondies: Biologie et Pharmacologie de l'Hemostase et des Vaisseaux. Universités de Paris V, VI, VII, XI. France.
 1993-96 Professor, Diplome, d'Etude Approfondies: Biologie Moleculaire, Université Joseph Fourier, Grenoble, France.
 1993-96 Professore alla Maitrise des Sciences Biologiques et Médicales, Faculté de Médecine, Université Joseph Fourier, Grenoble, France.
 1996 Contract Professor of Vascular Biology at University of Brescia, School of Medicine, Italy
 1997 Professor at Stockholm Univ. Dept. Neurochem., Faculty of Natural Sciences. Sweden
 1998-2002 Ass Prof of General Pathology at University of Insubria, School of Medicine, Varese
 Since 2002 Full professor of General Pathology of University of Milan, School of Sciences, Milan,
 Since 2007 Local Coord of the School of Molecular Medicine (SEMM) IFOM-IEO Campus, Milan
 Since 2015 Full professor of Pathology at the Department of Immunology, Genetics and Pathology, University of Uppsala, Sweden

Awards and Honors

1996 Prize of the International Society for Thrombosis and Haemostasis, Paris, France
 1997 Wennegren Foundation Award, Stockholm, Sweden
 1999 John Hopkins Award in Lung Vascular Biology, Baltimore, 1999, US
 2002 **Ufficiale of Italian Republic, Rome, Italy**
 Since 2002 **Member of the European Molecular Biology Organization (EMBO)**
 2007 William Harvey Outstanding Contribution to Science, Award 2007, London, UK
 2007 Prize Speciale Donna, Pesaro, Italy
 2009 Member of the Academy of Europe
 2010 **Laurea Honoris Causa in Medicine, University of Helsinki, Finland**
 2013 Award of International Union of Physiological Sciences, Birmingham, UK
 2011 Premio Ippocrate per la Divulgazione della Scienza
 2014 Premio Feltrinelli for Excellence in Science
 2014 **Laurea Honoris Causa in Medicine, University of Frankfurt, Germany**

Participation in scientific advisory boards:

- 2001-02 Italian Ministry of Health, Scientific Advisory Committee, IRCCS
- 2001-03 Italian National Institute Health, National program on Stem Cell Research
- 2007-9 International Human Fronteers Science Program Organization, Review Committee
- 2005-07 Sci Adv Board, Int Cancer Research Program, Biomedicum, Helsinki, Finland
- 2005-07 The Giovanni Armenise Harvard Foundation, Adv Committee (ISAC), Rome, Italy
- 2008-2012 Conseil Scientifique, Fondation Bettencourt Schueller, Paris, France
- 2013 Advisory Board for the Nature award for mentoring in science
- Since 2002 UNESCO, Member of Natural Sciences Committee, Rome, Italy
- Since 2007 Scientific Adv Board, Center for Transgene Tech (VIB) Univ of Leuven, Belgium
- Since 2007 Scientific Advisory Board, William Harvey Research Institute, London, UK
- Since 2009 **European Research Council (ERC) Scientific Committee, Bruxelles, Belgium**
- Since 2010 Sci Adv Board, ISREC/EPFL, Lausanne, Switzerland
- Since 2010 Sci Adv Board AIRC (Italian Association for cancer Research), Italy
- Since 2011 Sci Adv Board , Helsinki University Faculty of Medicine, Helsinki, Finland
- Since 2013 Sci Advisory Board Institut Pasteur , Fondation Ceenci-Bolognetti,Roma
- Since 2014 **Member of the Advisory Board of the Italian Ministry of Health Council, Rome**
- Since 2015 Sci Advisory Board of CNIC, Centro Nacional de Investigaciones Cardiovasculares
